Long Story Short

A good story conveys more than a picture or a word. Whether you tap it out or tell it on a stage. Whether tragedy or comedy. You decide where it begins, where it ends, and what is disclosed in between. Sharing your story brings the audience into a moment of your creation.

Long Story Short is the ideal foundation for the experience you want to design. Like many classics, Long Story Short conjures historical references in its formal styling. But, the eccentric details in the yarn carry surprising twists and turns, commanding a fresh perspective and outlining a truly unique character. Your ideas set the scene, drawing others in where new stories can unfold.

Long Story Short is manufactured with Bentley Premium™ Nylon and is available in our broadloom and tile formats. As always, all Bentley carpet products are PVC-free.
