

A high-angle, black and white photograph of a crowd of people walking. The individuals are rendered as dark silhouettes against a lighter, slightly blurred background, creating a sense of movement and a busy atmosphere. The lighting is dramatic, with strong highlights and deep shadows.

BENTLEY

Free Day

Ahhhh, to be swept away for hours into the realm of the creative experience: seeing art, wandering city streets of design festivals, seeking out pop-ups, happenings and installations.

For artists and designers, this is superfood. This is not work. This is life. For everyone, this is preserving and sharing history, opening hearts and eyes to past and present culture, witnessing creative innovation, and invoking possibility.

Free Day, named after our favorite day at the museum, when admission is free and all are welcome. It is the effortless companion that connects grand ideas of the Daytripper Collection—simple and completely accessible in style, pattern, and price.
