COURSE OF ACTION AND STRICTLY BUSINESS

BENTLEY

Course of Action and Strictly Business

Work. Work. Work. Let's get serious about a strong foundation for timeless interiors. Workplace must be vibrant and flexy. It must energize without distraction. It must be tuned to the creative hum at the heart of the operation. Course of Action is just that—a perfectly scaled pattern to keep the momentum. Small meeting areas and focus rooms call for a more toned-down vibe. Simple and elegant, Strictly Business quiets the room like a whisper. And like any great pairing, Course of Action and Strictly Business bring out the best in each other, each benefit from the companionship of the other, in an overlapping palette of cream, warm and cool grays, taupe, black, and navy. Now let's get back to work.
